The Voice for Children’s Dentistry in Canada

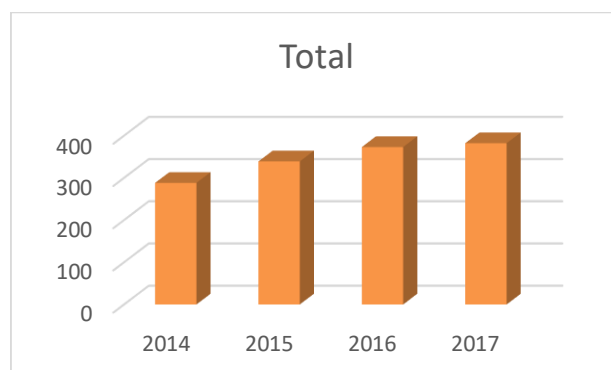

The Canadian Academy of Pediatric Dentistry/l’Académie Canadienne de Dentisterie Pédiatrique (CAPD/ACDP) is the voice for children’s dentistry and those individuals with special health care needs in Canada. CAPD/ACDP is a non-profit organization committed to offering its members outstanding continuing dental education and professional peer networking opportunities while advocating for Canada’s children’s oral health.

The Premier Canadian Conference for Pediatric Dentists

Our national Annual Conference attracts pediatric dentists from across Canada and the United States, as well as local general dentists and their dental teams. As the authoritative voice of children’s dentistry in Canada, CAPD/ACDP is looked upon for leadership in children’s dentistry by general dentists, other dental specialists, dental hygienists and assistants, as well as pediatricians and other health care providers. Many of our Academy’s members are educators of pediatric specialists and general dentists, hygienists and assistants, and speak nationally and internationally in continuing education forums. Our advocacy and influence is great, so your sponsorship will not only profile you in the eyes of the audience but will also have far-reaching effects on our ongoing efforts for advocacy in promoting oral health care in children and those with special health care needs.

CAPD/ACDP is pleased to offer opportunities for partnership and engagement with our membership, either on an annual basis (Sponsors) or on an event basis (Exhibitors).

Sponsors participate throughout the year by communicating their message in e-blasts to members, ads in The Mirror (Newsletter) through banners posted on the Academy website and by exhibiting at the Annual Conference Trade Show.

Exhibitors bring their message to the members through participation and interaction at the Annual Meeting supplier showcase.

An Invitation to Participate

Dr. Paul Andrews
CAPD/ACDP
President

On behalf of CAPD/ACDP, I am thrilled to invite you to partner with us to make the 2018 Annual Meeting in Banff, Alberta an outstanding success. The Winnipeg meeting earlier this year was a record setting success, in large part due to the active role taken by so many generous corporate partners. At CAPD/ACDP we take enormous pride in the fact that we currently maintain as members approximately 93% of all eligible pediatric dentists as well as the majority of the students in Canada! In your role as Sponsor or Exhibitor, you will have an exclusive opportunity to interact with more pediatric dentists than any other venue or organization. The feedback from our corporate partners this year has been very positive and they were very impressed with the gratitude expressed by so many of our attendees that visited their booths.

CAPD/ACDP has a long history of working with our corporate partners that provide solutions for the daily needs of our members. We refer to this as Corporate Partner Engagement and it is in this spirit we look forward to seeing you in Banff next year!

Sincerely,
Dr. Paul Andrews
BSc, DDS, MSc, FRCD(C), FADI(H), FPFA(H)
President

A note on Podium Time

From time to time CAPD/ACDP receives requests from Sponsors and Exhibitors to speak to the Conference delegates, in whole or in part. This may be related to a general address they wish to give, product information they wish to impart or to announce the winner of a prize draw held during the Tradeshow.

In order to maintain the scientific objectivity of our Annual Conference and to ensure a level playing field for all sponsors and exhibitors, no persons or parties, other than the CAPD/ACDP Executive, Scientific Speakers and session Moderators will have Podium Time.

Those holding prize draws at the Tradeshow will be provided with a microphone, where possible, to announce the winner of the draw at their respective tradeshow booths.

Sponsors who are hosting a major Conference event, eg the 3M-CAPD/ACDP Graduate Student Research Awards, will be part of the Awards presentation. Similarly, a Sustaining Sponsor who is hosting the President's Gala or the Welcome Reception, will be allowed to welcome the guests—not as a company advertisement—but as the host of the event.
