Nestled on the side of Tunnel Mountain, on 43 serene acres, we have two hotels on our grounds to suit a range of experiences. All guests enjoy property-wide WiFi, parking, admission to The Banff Centre's Walter Philips Gallery, and PLUS Membership at our extensive fitness and recreation facilities. Lloyd Hall offers comfortable, hotel rooms and suites and easy access to dining, fitness, and parking facilities, while our Professional Development Centre, designed with pine timber frames, a welcoming stone fireplace, and expansive windows reflecting the light and natural woodland setting, offers double bedded rooms.
